

# Camp AK-O-MAK Non Profit

2019

## VISITING THIS SUMMER

### Parents of 7 – 4 – 3 Week Campers:

In consideration of those campers who may be working through the natural process of missing home, we request that parents not schedule visits until after your daughter's first two weeks at camp.

Campers will not be permitted to leave Ak-O-Mak during parental visits without the Director's authorization for both safety reasons and to avoid disruption in scheduled activities.

### Parents of 2 Week Campers:

Although we have tried a variety of "visiting models" in the past, we have found them disruptive for campers and staff given the high intensity and short duration of these sessions. Therefore a formal "Parents' Day" is not offered. Please consider letters. Bunk-Notes are a wonderful alternative.

Care Packages - **No Food / Candy. It attracts animals in the cabins.** All packages will be opened to screen for nut related products as we are a nut-free camp. **Please keep packages Small.**
